

## **PPL Label Discography**

PPL Records was based in Hollywood, California, "PPL" being an abbreviation for "Princess Productions, Ltd." They were active in the 1980s, and associated with Bouvier Records in the late 1980s. Much of their material has been reissued on CD in the 1990s and 2000s. One of their first acts was called "The A.K.A. Band," then later "The Band A.K.A.," an eight-member funk/soul outfit not to be confused with the more famous ex-Ronnie Hawkins' Hawks known later as just "The Band."
