

Sparrow Records Discography

Sparrow is a Contemporary Christian label founded in 1976 by Billy Ray Hearn. Hearn was the A&R Director for Word Records' Myrrh label, founded a few years earlier also as a Contemporary Christian label. Sparrow also released records under their Birdwing subsidiary.

Hearn's Sparrow label was in competition with Hearn's old boss, Word Records, and was quite successful. Even today, Sparrow is among the top Christian labels. Hearn sold the label to EMI in 1992, and it was placed under the Capitol Christian Music Group.

Sparrow signed a distribution agreement with MCA in April, 1981 to release their product in the secular market while the regular Sparrow issues were distributed to Christian stores and Christian radio stations. The arrangement with MCA lasted until October, 1986, when Sparrow switched distribution to Capitol.
