

## **Voyager Records Discography**

The Voyager imprint was used by MCA Records for a project by producer/engineer/musician Terry Manning, who wanted to get Johnny Winter back to more mainstream rock after several albums of pure blues. The album was a failure commercially (although it was reissued on CD in 1990 and as a budget offering in 1991), and apparently Voyager was discontinued.

### **Voyager/MCA 42000 Series:**

Voyager/MCA 42241 - *The Winter Of '88* - **Johnny Winter** [1988] Close To Me/Rain/Stranger Blues/Ain't That Just Like A Woman/World Of Contradictions//Lightning/Looking For Trouble/Show Me/Anything For Your Love/Look Away
